## FINGER LAKES WINE BY THE BOTTLE

The terroir of the Finger Lakes is special because of the microclimates created by the lakes — extreme cold weather in the winter is avoided and warm breezy days during the summer help ripen the grapes. Limestone-laced soils give Finger Lakes wines a distinctive taste.

## OUR PHILOSOPHY

Our wine program is a collection of approachable wines from all over the world designed for everyday sipping. (Check out our library list below for your special occasion!) Our neighbors in the Finger Lakes are making some delicious, attention-worthy wine and spirits, and it's an honor for us to highlight them.

As you browse, keep in mind that our list is progressive—the wines increase in body as you descend the list within each category. Please ask us if you have a question—we really enjoy helping you find the perfect complement to your meal. Whatever you decide, it's our genuine pleasure to have you here.
